FREE CAR SEAT CHECKS!

✅ By Appointment
   970.254.4112

✅ Education & Fit Station
   2nd Friday of Each Month
   10:00 – 2:00 p.m.
   Mesa County Health Department

Kids are now required by law to be in a booster seat until they are 8 years old!

Appointments are recommended for the monthly fit station. This is an education service. We will work with you to make sure your child is fitted correctly in the correct seat and that the seat is installed safely in your vehicle. Please allow approximately 30 minutes for each installation. If we determine that your child needs a new car seat and you cannot afford one, we may be able to help. A $20 donation will be required and you must receive public assistance (WIC, Medicaid, food stamps, etc.). You must also have your vehicle and your child present.

The phone line is checked approximately once per week. A certified car seat technician will return your call as soon as possible to answer any questions or to schedule an appointment.
